- TEACHER:** Suzanne Bailly is a retired adult/community educator/teacher who discovered a passion for hooking a few years ago. She has tried traditional styles but particularly enjoys exploring alternative projects. During Covid, Suzanne discovered Winnie Glavine (Rug Hooking Workshops of Newfoundland) and has taken online workshops with her. Suzanne offers this workshop with Winnie's permission.
- WORKSHOP:** Take your hooking to a new level to make a pair of mittens with a hooked top, material backing and a fleece lining. Basic sewing skills will be required. Inspired by Winnie Glavine, Suzanne will lead you through the stages involved. Participants will be emailed a materials list and preparation needed before the class.
- PRE-WORKSHOP:** This is essential You will need to choose a foundation fabric of choice for the mitten top. Start looking for material for the rest of the mitten. For the back a felted wool sweater works well. If using wool, look for something heavier than Dorr wool weight – perhaps something you would consider too heavy to hook with – recycled wool fabric might also work if fairly heavy. Cuffs can be knitted, or premade cuffs can be purchased as well as cuff "fabric".
- NEED TO BRING:** If you have your own sewing machine, bring it along. Participants will have the use of the Museum's sewing machine.
